

AGRIDEMO

# Please complete **AFTER** the Farm Walk | Post-demonstration Survey for Participants

*This box will be filled in by the researcher*

Country: Ireland	CS: 3	Participant No:
------------------	-------	-----------------

**No: 001**

Name or initials (same as written on before questionnaire):
---

In your opinion, the number of events like this are (circle):	Too few	Just enough	Too many
Those attending the demonstration were mainly (circle):	New to me	Both new and familiar	Familiar to me

	Strongly Disagree (--)	Disagree (-)	Agree (+)	Strongly Agree (++)	Circle if Not Applicable	Additional Comments
The demonstration event built on or complemented other demonstration events I have attended.	1	2	3	4	N/A	
The demonstration event complemented other information sources I use.	1	2	3	4	N/A	
I think the group consisted of an interesting mix of people.	1	2	3	4	N/A	
Overall, I think the demonstrators had the right skills to carry out the demonstrations.	1	2	3	4	N/A	
I think the host farm (i.e. Teagasc Athenry Farm) was well suited for this demonstration.	1	2	3	4	N/A	
I think the content was relevant to my own situation.	1	2	3	4	N/A	
The aims of the demonstrations were clear to me.	1	2	3	4	N/A	
I think the day was well structured.	1	2	3	4	N/A	
The group was the right size.	1	2	3	4	N/A	
I think the content of the demonstrations suited the needs of the participants well.	1	2	3	4	N/A	

	Strongly Disagree (--)	Disagree (-)	Agree (+)	Strongly Agree (++)	Circle if Not Applicable	Additional Comments
The demonstrations met my expectations regarding what I wanted to learn.	1	2	3	4	N/A	
The demonstrations exceeded my expectations.	1	2	3	4	N/A	
I felt surprised at some point(s) during the demonstration.	1	2	3	4	N/A	
I obtained a clearer understanding of the topic(s) demonstrated.	1	2	3	4	N/A	
I have the feeling I learned something new (knowledge, skill, practice, etc.).	1	2	3	4	N/A	
I thought about how I could implement some of the ideas and practices on my own farm.	1	2	3	4	N/A	
I reflected on my own point of view at some point during the demonstration.	1	2	3	4	N/A	
I learnt about the principles underlying a practice.	1	2	3	4	N/A	
During the demonstrations, I thought about how we learn something new on demonstrations (e.g.: teaching methods).	1	2	3	4	N/A	
During the demonstrations, I thought about why I want to learn about the topic(s) of this demonstrations.	1	2	3	4	N/A	
I participated in an interactive experience during the demo (e.g.: try out machinery, feel soil differences,...)		NO	YES		N/A	
The demonstration built on my current understanding/knowledge.	1	2	3	4	N/A	
I found the topic interesting.	1	2	3	4	N/A	
I felt actively involved during the whole demonstration process.	1	2	3	4	N/A	
I felt like the demonstration increased my ability to rely on myself as a farmer.	1	2	3	4	N/A	

	Strongly Disagree (--)	Disagree (-)	Agree (+)	Strongly Agree (++)	Circle if Not Applicable	Additional Comments
I could relate well to other participants (because they have an agricultural background similar to mine).	1	2	3	4	N/A	
A lot of the other participants are part of the same farmer network as me.	1	2	3	4	N/A	
I felt like I could trust the knowledge of (most of) the other participants.	1	2	3	4	N/A	
The demonstrations felt like an informal activity to me.	1	2	3	4	N/A	
I thought the host farm (i.e. Teagasc Athenry farms) was comparable enough to my own farm.	1	2	3	4	N/A	
I had the feeling the demonstrators were like one of us.	1	2	3	4	N/A	
I had the feeling I could trust the demonstrators' knowledge.	1	2	3	4	N/A	
I got along very well with the demonstrator.	1	2	3	4	N/A	
I had the feeling that I could share my own knowledge as relevant information.	1	2	3	4	N/A	
It was my own choice to be here.	1	2	3	4	N/A	
I asked at least one question during the demonstrations (circle).		No	Yes		N/A	
I shared my own point of view at least once during the demonstrations.		No	Yes		N/A	
I felt encouraged to ask questions during the demonstrations.	1	2	3	4	N/A	
In my opinion, there were interesting discussions during the demonstrations.	1	2	3	4	N/A	
When there were any discussions, I felt comfortable sharing my opinion.	1	2	3	4	N/A	

	Strongly Disagree (--)	Disagree (-)	Agree (+)	Strongly Agree (++)	Circle if Not Applicable	Additional Comments
If participants didn't agree with each other during discussions, somebody (demonstrator/other participant) tried to reach a consensus between them.	1	2	3	4	N/A	
I learnt something about sustainable agriculture.		No	Yes		N/A	
Now, I'm thinking about an action I could undertake myself, because of the demonstration.	1	2	3	4	N/A	
Now, I feel motivated to undertake some sort of action towards sustainable agriculture.	1	2	3	4	N/A	
The demonstrator included the impact of the topic(s) on other aspects of the farm during the demonstration (instead of showing isolated topic(s)/technique(s)).	1	2	3	4	N/A	

How effective did you find the demonstration for you to learn something? (circle the number)	1 (Not so good)	2	3	4	5 (Very good)
Did you feel like you could somehow give input on the demo process and/or content? If yes, how? (e.g.: suggestions or questions to elaborate on a certain topic were taken into account).					
What made the demonstrations effective for you?					
Do you have any suggestions on how to improve the demonstrations?					
Would you recommend this demonstration event to others?	Yes	No			
I consent to the use and public storage of my information entered on this form, subject to the preservation of my anonymity at all times:	Agree	Disagree
