

Guidelines for using the Virtual Farm in Android

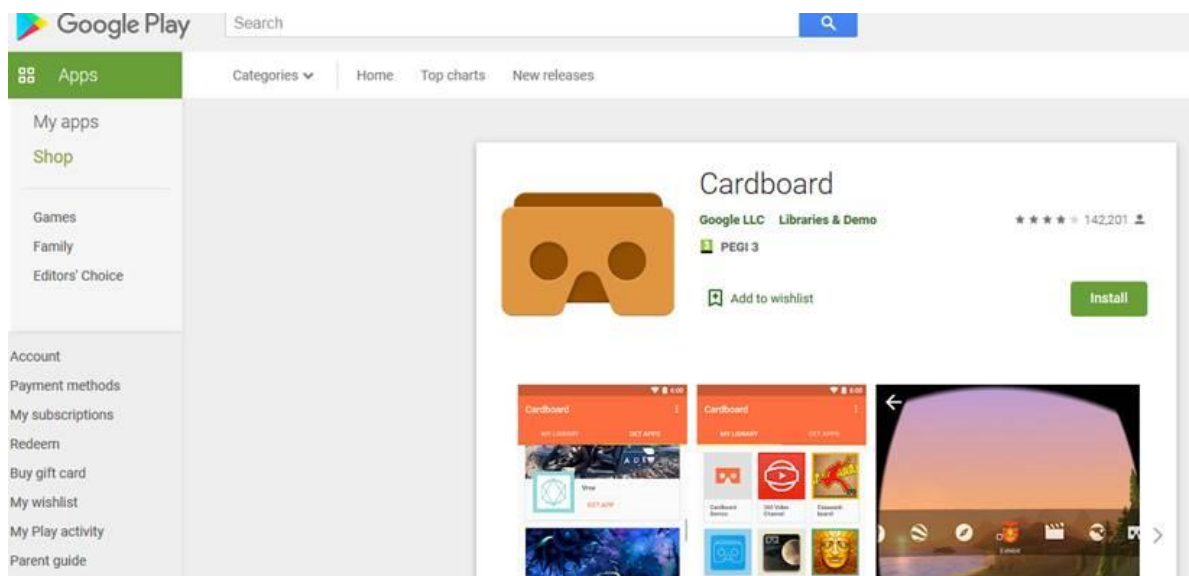

Authors: Hardy Claire

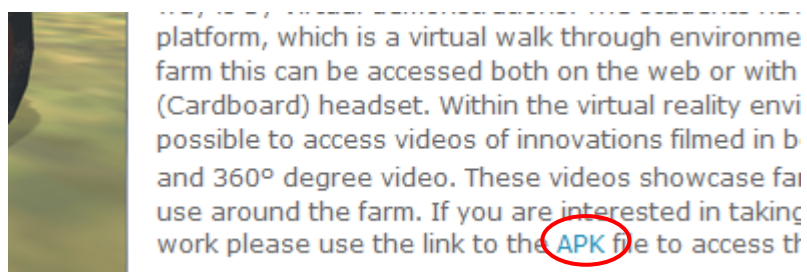

FarmDemo has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 727388 PLAID, 728061 Agridemo-F2F, and 772705 NEFERTITI

Steps to take:

1. Upload Cardboard from the playstore
https://play.google.com/store/apps/details?id=com.google.samples.apps.cardboarddemo&hl=en_GB

2. Download the .apk file from <https://plaid-h2020.hutton.ac.uk/farm-app>, by clicking on the .apk highlighted text:

3. The .apk-file should install on your phone
4. If it asks you to login use username: test Password: 123
5. Click Continue
6. Click VR quick load
7. Insert phone in a cardboard headset, look towards the ground to move forward, roll up to a sphere and press the button on top of the headset to enter the 360 degree video, press again to exit.
